

K-LOVE has been an inspiration to me, my immediate family, and extended family as well. My neices actually listen to K-LOVE daily and they introduced me to the station. Since then I have been a faithful listener as well. It is one of the most encouraging stations on the air right now and to change that would be a dis-service to all the communities that this station reaches. K-LOVE brings out the absolute best in people. Please keep them on the air.
